I. BASIS OF ASSESSMENT OF MEMBER STATES CONTRIBUTIONS TO UNTAC FOR THE PERIOD 1 NOVEMBER 1992 TO 31 JULY 1993

A. Period from 1 November 1992 to 30 April 1993

1. By its resolution 745 (1992) of 28 February 1992, the Security Council established the United Nations Transitional Authority in Cambodia (UNTAC) for a period not to exceed 18 months. By its resolution 47/209 of 22 December 1992, the General Assembly decided to appropriate an amount of US$ 483,961,200 gross ($470,808,500 net) for the continued operation of the Transitional Authority for the period from 1 November 1992 to 30 April 1993, in addition to the amount of $839,576,200 gross ($833,171,300 net) already appropriated for the Advance Mission and the Transitional Authority. It further decided that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of $13,152,700 approved for the Transitional Authority and their respective share in the unencumbered balance of $162,345,800 gross ($160,941,000 net) in respect of the period from 1 November 1991 to 31 October 1992.

2. The amount so appropriated by the General Assembly was apportioned among Member States in accordance with the provisions laid out in section I.C. below and is shown in section IV. The apportionment was executed in two parts so as to take into account the provisions of General Assembly resolutions 46/198 A of 20 December 1991 and 47/218 of 23 December 1992.

B. Period from 1 May to 31 July 1993

3. Under General Assembly resolution 47/209 of 22 December 1992, the Secretary-General was authorized "to enter into commitments for the operation of the Transitional Authority at a rate not to exceed 241,841,300 dollars gross (235,823,600 dollars net) for the period from 1 May to 31 July 1993, subject to obtaining the prior concurrence of the Advisory Committee, the said amount to be apportioned among Member States in accordance with the scheme set out in the present resolution".

4. By a letter dated 13 April 1993 to the Secretary-General, the Advisory Committee on Administrative and Budgetary Questions gave its concurrence for entering into commitments for UNTAC in an amount not exceeding $236 million gross ($233,806,600 net), for the period 1 May to 31 July 1993.

5. This amount has now been apportioned among Member States in accordance with the provisions laid out in section I.C. below and is shown in section V below.

C. Apportionment of the costs of peace-keeping operations

6. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

7. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

8. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

9. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNTAC. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 46 new Member States, including 13 new Member States in 1992, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991 and 47/218 of 23 December 1992. The percentage shares shown in sections IV and V below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by General Assembly resolution 46/221 A of 20 December 1991 and adjusted in accordance with General Assembly decision 47/456 of 23 December 1992.
